Healing Paths from different Cultures

Learn how ancient healing techniques are relevant in today's world and how to apply them to your life.

- Each session you will be introduced to a practice from Egypt, India, China or Africa.
- Each evening will mix information, meditation and healing skills,
- You will learn about the diverse nature of the spiritual journey, and the many forms that it can take.

Where: Open Center, Manhattan 22 East 30th Street (www.opencenter.org)

Date & Time: TBA
